

Creagorry Bed and Breakfast is the perfect place to discover the magic of Mull.

We are enthusiastic about the island, its spectacular scenery and stunning wildlife. We are more than happy to pass on our knowledge in order that you make the most of your stay with us.

Siting just above Tobermory Harbour, Creagorry B&B is in a quiet residential area. As a guest, you have your own lounge/breakfast room that affords superb views over the bay and down the Sound of Mull towards the high mountains beyond.

The heart of Tobermory and its famous picturesque harbour is just ten minutes stroll away, it's here where you will find some wonderful restaurants and shops selling local produce for you to enjoy whilst you're on the island and of course, take home too.
